WORKSHOP LEARNING OUTCOMES

The IPE Workshops learning outcomes are:

- Describe, to a range of other health professionals, the role and responsibilities of your own discipline to the case.
- Recognise and respect the roles and responsibilities of the other members of your group.
- Collaborate interprofessionally to identify and prioritise:
 - key issues and goals for safe, high quality, client and family-centred care,
 - strategies to help the client and family and any possible barriers to the implementation of these strategies.

WORKSHOP REQUIREMENTS

All workshops are a PASS/FAIL. To achieve a PASS grade students must:

- Complete all online activities, which includes group discussions, reading and watching video resources,
- Interact in a professional manner with your interprofessional group members,
- Complete the required tasks in the specified time frames.

WORKSHOP FACILITATORS

IPE facilitators are allocated to each interprofessional group to monitor and assess student contributions for each activity and provide feedback where relevant.
